B & A Limited Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure  
Requirements) Regulations, 2015, as amended**

**TO THE BOARD OF DIRECTORS OF  
B & A LIMITED**

1. We have reviewed the accompanying statement of unaudited financial results of **B & A LIMITED** ("the Company") for the quarter ended 30<sup>th</sup> September, 2020 pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, read with SEBI Circular No. CIR/CFD/CMD1/44/2020 dated 29<sup>th</sup> March, 2019. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Notes:-**

- 1) The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meetings held on 13<sup>th</sup> November, 2020.
- 2) Stock of black tea as on 30<sup>th</sup> September, 2020 has been valued at lower of cost, which is based on estimated cost of production and expenditure for the financial year ending 31<sup>st</sup> March, 2021, and net realisable value. Production and expenditure not being uniform throughout the year, stock valuation will be unrealistic if it is based on actual production and expenditure up to 30<sup>th</sup> September, 2020. The aforesaid method of valuation of stock is consistent with the accounting policy followed by the Company in earlier years for the purpose of publishing quarterly results. Valuation of stock of tea at the end of the financial year will be as per the applicable Indian Accounting Standard(s).
- 3) Value of green leaf produced in the Company's own tea estates is not ascertainable. However, cost of materials consumed represents only cost of green leaf purchased from others.
- 4) The Company is engaged in the business of cultivation, production and sale of black tea which is seasonal in nature, and as such, the above results for the quarter and six month period ended 30<sup>th</sup> September, 2020 are not indicative of the results for the full financial year.
- 5) Tax expense, including current tax and deferred tax, if any, is recognised at the end of the financial year.
- 6) Liability on account of defined benefit obligation has been provided on estimated basis. Actuarial valuation of defined benefit obligation will be made at the end of the financial year and actuarial gain / loss, if any, will be recognised at that time.
- 7) Measurement of fair value of investment in equity shares will be carried out at the end of the financial year, when the extent of impairment or enhancement, if any, will be ascertained.
- 8) Due to nationwide lock down for Covid-19 pandemic imposed since 24.03.2020, subsequent lifting of the same in a phased manner and due to erratic weather condition in Assam, the Company's crop was substantially lower, resulting in lower production of black tea by 8.89 lac kgs. during the 6 months period ended 30.09.2020 compared to the corresponding period of the previous year.

9) Bank Charges were previously shown under the head Other Expenses as Miscellaneous Expenses. The Company has, from the current year, included such Bank Charges under the head Interest and Financial Charges as it would reflect in a more appropriate presentation of the financial statements of the Company. As such, the corresponding figures of the previous year have also been regrouped.

10) The Company has only one business segment of manufacture and sale of black tea.

**Notes:-**

- 1) The above consolidated financial results of the Group (B & A Limited - the Parent Company and B&A Packaging India Limited - the Subsidiary Company together referred to as "the Group") have been reviewed by the Audit Committee and approved by the Board of Directors of the Parent Company at their respective meetings held on 13<sup>th</sup> November, 2020.
- 2) The Group has consolidated the financial statements of the Parent and Subsidiary Companies taking into consideration relevant adjustments.
- 3) Stock of black tea as on 30<sup>th</sup> September, 2020 has been valued at lower of cost, which is based on estimated cost of production and expenditure for the financial year ending 31<sup>st</sup> March, 2021, and net realisable value. Production and expenditure not being uniform throughout the year, stock valuation will be unrealistic if it is based on actual production and expenditure up to 30<sup>th</sup> September, 2020. The aforesaid method of valuation of stock is consistent with the accounting policy followed by the Group in earlier years for the purpose of publishing quarterly results. Valuation of stock of tea at the end of the financial year will be as per the applicable Indian Accounting Standard(s).
- 4) Value of green leaf produced in the Company's own tea estates is not ascertainable. However, cost of materials consumed represents only cost of green leaf purchased from others.
- 5) Deferred tax, if any, is recognised at the end of the financial year. Current tax as appearing in this statement is in respect of the Subsidiary Company. The Parent Company is engaged in the business of cultivation, production and sale of black tea which is seasonal in nature and as such the results for the quarter ended 30<sup>th</sup> September, 2020 are not indicative of the results for the full financial year. For this reason, current tax will be recognised at the end of the financial year by the Parent Company.
- 6) Liability on account of defined benefit obligation has been provided on estimated basis. Actuarial valuation of defined benefit obligation will be made at the end of the financial year and actuarial gain / loss, if any, will be recognised at that time.
- 7) Measurement of fair value of investment in equity shares will be carried out at the end of the financial year, when the extent of impairment or enhancement, if any, will be ascertained.
- 8) In respect of the leasehold land, the Subsidiary Company is required to make a fixed lease payment annually. The amount of annual payment and the present value of the liability over the remaining period of the lease are not significant. Hence, the subsidiary company has not recognised the present value of lease liability, finance charges or accretion to the value of the right to use the aforesaid asset in the accounts, which is otherwise required by Ind AS 116, Leases, with effect from 1st April, 2019. The annual fixed lease payment is charged to profit or loss over the period of the lease.  
For Parent Company Ind AS 116 "Leases" is not applicable, in as much as, the lease in respect of its leasehold-land is perpetual in nature.
- 9) Due to nationwide lock down for Covid-19 pandemic imposed since 24<sup>th</sup> March, 2020, subsequent lifting of the same in a phased manner and due to erratic weather condition in Assam, the Parent Company's crop was substantially lower, resulting in lower production of black tea by 8.89 lac kgs.

during the 6 months period ended 30<sup>th</sup> September, 2020 compared to the corresponding period of the previous year.

10) Bank Charges of the Parent Company were previously shown under the head Other Expenses as Miscellaneous Expenses. The Parent Company has, from the current year, included such Bank Charges under the head Interest and Financial Charges as it would reflect in a more appropriate presentation of the financial statements of the Parent Company. As such, the corresponding figures of the previous year have also been regrouped.

11) An amount of Rs. 0.91 lacs representing share of non-controlling interest in amortisation of leasehold land of Subsidiary Company in terms of Ind AS 116, "Leases", was inadvertently charged in full against Parent Company's retained earnings during the year ended 31<sup>st</sup> March, 2020.

Accordingly, non-controlling interest and retained earnings as on 31<sup>st</sup> March, 2020 and 30<sup>th</sup> September, 2020 stand restated to give effect to the above.

12) Operating segments have been identified as Tea and Packaging taking into consideration the requirements of Ind AS 108, "Operating Segments".
