Independent Auditor's Review Report on Quarterly and year to date Unaudited Financial Results of the Company under Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To
The Board of Directors of
VAGHANI TECHNO-BUILD LIMITED

1. We have reviewed the accompanying Statement of unaudited financial results of Vaghani Techno-Build Limited ('the Company') for the quarter ended 31st December 2022 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Regulation').
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of matter

We draw attention to the matter that there are inherent risks involved in estimating the costs to complete each inventory i.e. TDR development project and the future selling prices for each TDR development projects. There also exists uncertainty regarding the eligibility of generating the TDR considering the extant regulations applicable to a project which entitles the original owner to claim TDR in the form of Development Rights Certificate (DRC) upon surrendering the compensation amount and complying with the conditions as may be prescribed by the Municipal authorities. Due to the peculiar nature of inventory, obtaining third party independent valuation of the inventory is also not possible. Hence, we have relied on the management representation and the assumptions and estimates made by the management in this regard. The management is confident of the valuation technique used for deriving the valuation of inventory and the net realisable value of such inventory, and hence no provision for diminution in the value of inventory has been considered necessary by the management.

Our report is not modified in respect of the matters mentioned in above paragraph.
