INDEPENDENT AUDITORS' REVIEW REPORT ON REVIEW OF INTERIM FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF VASCON ENGINEERS LIMITED

 We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of VASCON ENGINEERS LIMITED ("the Company"), for the quarter ended June 30, 2018 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

- 2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
- 3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

1. The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on August 14, 2018.

2. The figures for the quater ended March 31, 2018 are the balancing figures between the audited figures in respect of the full financial year and the published year to date figures upto to the third quarter.

3. The Company has reported segment information as per Indian Accounting Standard 108 "Operating Segments" (Ind A5 108) read with SEBI circular dated 5th July, 2016. The identification of operating segments is consistent with peformance assessment and resource allocation by the Chief Operating Decision Maker (CODM). The Company's Chief Operating Decision Maker (CODM) is CEO and Managing Director.

Primary reporting business segments are as follows :

a) Engineering, Procurement and Construction (EPC)

b) Real Estate Development

The Company is engaged in its business mainly within India.

4.Indian Accounting Standard 115 "Revenue from contracts with customers" (Ind AS 115) has been notified by Ministry of Corporate Affairs (MCA) on March 28, 2018 and is effective from accounting period beginning on or after April 1, 2018, replaces existing revenue recognition standard. The application of Ind AS 115 has impacted the Company's accounting for recognition of revenue from real estate residential projects. There has been no impact on our contractual business (EPC business), EPC continued to account on progressive method.

The Company has applied the modified retrospective approach to its real estate residential contracts that were not completed as of April 1, 2018 and has given impact of adoption of Ind AS 115 by debit to retained earnings as at the said date by Rs. 413 lakhs. Accordingly the comparatives have not been restated and hence, the current period figures are not comparable with previous period figures. Due to the application of Ind AS 115 in the current period revenue from operations is lower by Rs. 288 lakhs (including impact of Ind AS 115 on share of profit from partnership firm, which has also applied modified restrospective approch)and net profit after tax is lower by Rs. 233 Lakhs (Including impact of Ind AS 115 on share of profit from partnership firm, which has also applied modified restrospective approch)and net profit after tax is lower by Rs. 233 Lakhs (Including impact of Ind AS 115 on share of profit from partnership firm, which has also applied modified retrospective approach). Similarly, the basic and diluted EPS for the period are Rs. 0.09 instead of Rs 0.22 per share. These changes are due to recognition of revenue based on satisfaction of performance obligation (at a point in time), as opposed to the previously permitted percentage of completion method.
