**INDEPENDENT AUDITOR'S LIMITED REVIEW REPORT ON QUARTERLY UNAUDITED
STANDALONE FINANCIAL RESULTS OF THE COMPANY PURSUANT TO THE REGULATION 33 OF
THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015**

To
Board of Directors
Winsome Breweries Limited

We have reviewed the accompanying statement of unaudited standalone financial results of **Winsome Breweries Limited** for the quarter ended 31st December, 2021 and year to date result for 01st April 2021 to 31st December, 2021. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Our conclusion is not modified in respect of this matter.

- 1 The above financial statements have been reviewed by the Audit Committee in its meeting held on 14th February, 2022 and then approved by the Board of Directors in its meeting held on 14th February , 2022
- 2 Impact of COVID-19 on the company

Covid 19 pandemic is still there and impact on working of the company is uncertain. The management is of the view that with the pickup in Global vaccination, gradual decrease of Covid cases, the nature of business and the products of the company, and steps being taken to provide support by various means from the regulators/ governments, there are no reason to believe that current crisis will have any significant impact on the ability of the company to maintain its normal business operations including the assessment of going concern for the company. However, the extent to which the pandemic will impact working of the company is highly uncertain.

- 3 Production/Sales is NIL during the current quarter because factory is closed due to termination of agreement with United Breweries Ltd.
- 4 The Figures of Previous period/year have been regrouped/ recast, where ever necessary, to confirm to the current period/year's classification.
