Notes:								
1	The above unaudited financial results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on November 13, 2020.							
2	The Statutory Auditors of the Company have carried out the unaudit of the aforesaid financial results for the quarter and half year ended on September 30, 2020 in accordance with Regulation 33 of the SEBI (Listing Obligation and Disclosures Requirements) Regulations, 2015.							
3	In line with the provisions of Ind AS-108 'Operating Segments' as notified under the Companies (Ind AS) Rules, 2015, and as provided in section 133 of the Companies Act, 2013, the operations of the Company fall under one line of business activity namely, Textiles (Yarn, Knitwear & related revenue), which is considered to be the only reportable segment by the management.							
4	COVID-19 pandemic has caused serious disruptions on the global economic and business environment and there is a huge uncertainty with respect to its severity, which cannot be reasonably ascertained. However, the Company has evaluated and factored the possible effects in its working to the extent possible, including likely impact that may result from the COVID-19 pandemic as well as all events and circumstances upto the date of approval of these financial results on the carrying value of its assets and liabilities as at 30 th September 2020. The operations of the Company are running at substantially below optimal levels. The operations are expected to remain impacted until customer orders return to normal levels, and supply chain stabilises, and the availability of manpower is consistent.							
5	The impact of any event and developments occurring after the financial results for the quarter and half year ended september 30, 2020 may differ from that estimated as at the date of approval of these financial results and will be recognised prospectively. Auditors remarks on accounts for the quarter and half year ended september 30, 2020: (a) Regarding preparation of accounts on going concern basis despite accumulated losses of the Company being substantially in excess of its net worth: Management Response: Consolidated response as part of Note No. 6 hereinbelow; (b) Regarding non-provision for interest and penalty on Borrowings: Management response: Consolidated response as part of Note No. 6 hereinbelow; (c) Regarding pending receipt of part money of GDR invested in money market instrument outside India, non accounting of the same at fair value and non-recognition of exchange fluctuation in respect thereto: Management response: Consolidated response as part of Note No. 7 hereinbelow; (d) Regarding provisions made in books of account in case of investments in subsidiaries, amounts to be written off/written back and adjustment/set off of payment of receivables/payable from/to overseas parties/suppliers, which are pending necessary approval of the competent authority: Management Response: The Company has filed uptodate returns, and advances - impact unascertainable): Management response: Confirmation and reconciliation of balances is carried out on an ongoing basis and adjustments, if any, arising therefrom are accounted from time to time. 6	Edelweiss Assets Reconstruction Company Limited (EARC), an Asset Reconstruction Company, is an assignee of debt payable by the Company to certain banks. The Company had been in discussions with EARC for restructuring of debts. The restructuring offer of the Company to EARC is for an amount lower than the amount accounted in its books of account, and the Company without accounting any further liability for payment on this account, will give effect to adjustments arising thereto on execution of agreement for restructuring. The Management expects that its cash flows of the Company in the near future will be sufficient to meet the resulting payment and repayment obligations as may arise as a result of restructuring agreement, and the accounts of the Company have therefore, been prepared on 'Going Concern' basis. The Financial Commissioner of the State of Punjab has since determined that the Agreements for Assignment of debt by lenders of the Company to EARC are insufficiently stamped, and therefore, defective. EARC had filed a Petition to initiate insolvency proceedings against the Company, which was been dismissed by the Hon'ble NCLT vide its order dated 14th March 2020. An appeal has been filed by EARC against this order. Indian Overseas Bank has initiated insolvency proceedings against the Company before NCLT which is being contested by the Company.							
7	GDR issued earlier by the Company, listed on Luxemburg Stock Exchange, were delisted. USD 48,19,980 (Rs. 2568.41 Lakhs without exchange adjustment) is invested in money market instruments outside India to use the amount for earmarked purposes, i.e., setting up a Yarn Dying Plant. The Plant could not be implemented as requisite support was not extended by the lenders. The final effect of exchange rate fluctuation will be accounted at the time when the amount is repatriated.							
8	The NSE and BSE had suspended trading of the Equity shares of the company due to delay in payment of certain amounts to the NSE and BSE. The delay occurred due to a technical glitch in the banking network wherefrom the payment was initiated by the Company. The Company has represented to the Stock Exchanges for review and revocation of their decision to suspend trading, and has also filed an appeal against the decision of the Stock Exchanges before SAT.

A review is substantially less in scope than an audit conducted in accordance with standards on auditing specified under section 143(10) of the companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that

might be identified in an audit. Accordingly, we do not express an audit opinion.

In view of accumulated losses of the Company as at the end of quarter and six month endedSeptember 30th, 2020, the net worth of the Company as at that date being negative, continuous losses, negative cash flows and due to financial constraints, material uncertainty exists about the company ability to continue as going concern. The decision of management of the Company to prepare the accounts of the Company on going concern basis for reasons that, (a) proposed rehabilitation plan of the Company is under discussions with majority of lenders, and (b) future business plans of the Company and expected cash flows therefrom will suffice to service restructured debts of the Company, there would arise a need to adjust the realizable value of assets and liabilities in the event of failure of assumptions as to going concern, and in the absence of impact of aforesaid assumptions having been un-ascertained, we are unable to comment thereon.
- II. Theunaudited standalonefinancial result for the quarterand six months ended on September 30th, 2020 are understated due to:

(In the absence of statement of account, the above amount has been arrived at as per estimates of the Company, and the aggregate unprovided amount in books of account of the Company is not ascertainable with accuracy).
 - b. Non provisioning against long outstanding receivables of Rs 521.57 lakhs including of overseas overdue trade receivables. Further the accounting for exchange fluctuation in respect of overseas trade receivables and export advances is not in line with Ind AS 21 "The effects of change in foreign exchange rates" and accordingly unable to comment its impact on financial result.

The non-accounting of investment at fair value and nonrecognition of exchange fluctuation in respect thereto is not in line with Ind AS 109 "Financial Instruments" and Ind AS-21 "The Effects of Changes in Foreign Exchange Rates" respectively, which has the effect of understatement of investment by Rs. 945.36 as at September 30th, 2020 (Rs. 877.37lakhs as atSeptember 30th, 2019) understatement of losses by Rs. 133.03lakhs for the quarterand six month ended September 30th, 2020 (understatement of loss by Rs. 83.62 lakhs as at quarter and six months ended September 30th, 2019).
- IV. Regarding provisions in case of investments in subsidiaries, written off/written back and adjustment/ set off of payment of receivables/payables from/to overseas parties/suppliers, which is pending necessary approval of the competent authority.
