2.This Statement is the responsibility of Company's management and has been approved by the Board of Directors of the Company in their meeting held on 26th July 2018. My responsibility is to issue a report on this financial statement, based on my review.

This Standard requires that I plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company's personnel and analytical procedures applied to financial data and thus provide less assurance than an audit.
