The Meeting started at 12:45 P.M and concluded at 2:15 P.M.

We request you to kindly take the same on record and oblige.

Thanking you,

Yours faithfully,

For **NRB Industrial Bearings Limited**,

Vandana Yadav

Company Secretary and Compliance Officer

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
NRB Industrial Bearings Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of NRB Industrial Bearings Limited (the "Company") for the quarter ended September 30, 2023 and year to date from April 01, 2023 to September 30, 2023 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to the matter stated in Note 4, regarding uncertainties around the outcome of legal challenges raised by one of the promoters with respect to validity of a resolution for increase in authorized share capital of the Company and consequent conversion of certain unsecured interest free loan into 2% Redeemable Cumulative Non-Convertible preference shares. Pending outcome of the matter, no adjustments, which may have arisen had the Scrutinizers report been declared invalid, have been considered in the financial results.

Our conclusion is not modified in respect of this matter.

Notes:

- 1 These Standalone financial results have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs and prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and the other accounting principles generally accepted in India. This Statement is as per Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2 The Operations of the Company fall within a single primary segment viz. Industrial bearings.
- 3 As at September 30, 2023 the Company has a net current liability position of Rs. 2,739.33 lakhs and has a negative net worth of Rs. 2,129.68 lakhs. The management of the Company has formulated strategic plans for improving the profitability of the Company, which includes increase in sales and reduction in operating expenses. The Promoter director has also provided a commitment in the form of support letter to provide necessary financial support to the Company to meet its operational and financial obligations including loan from other Promoter as and when they fall due. Based on the business plans of the Company, cash flow projections and support letter from Promoter director, management is confident that the Company will be able to meet its financial obligations as they arise. Accordingly, these financial results have been prepared on the basis that the Company will continue as a going concern in the foreseeable future.
- 4 Pursuant to the members' resolution passed dated November 29, 2019 for conversion of unsecured loan of a Promoter shareholder amounting to Rs. 1,400 lakhs into 2% Redeemable Cumulative Non- convertible Preference Shares of Rs. 10 each ("Preference Shares"), the Company, during the year ended March 31, 2023, sought to increase its authorized share capital from Rs. 85 Crore (Equity share capital Rs. 5 Crore and Preference share capital Rs. 80 Crore) to Rs. 99 Crore (Equity share capital Rs. 5 Crore and Preference share capital Rs. 94 Crore) by obtaining an approval from members via a resolution approved through a postal ballot dated March 20, 2023.

During the voting period for such postal ballot, the Scrutinizer invalidated the vote of a Promoter shareholder, who had initially voted against the resolution and later (during the voting period) communicated the decision to vote in favour of the said resolution. Accordingly, the Scrutinizer, in accordance with Clause 16.5.3 (d) of SS-2 'Secretarial Standard on General Meetings' while counting the votes and declared that the resolution to increase the authorized share capital was passed by absolute majority ('the decision'). Basis such decision, unsecured loan of a Promoter shareholder has been converted into 2% Redeemable Cumulative Non-convertible Preference Shares by the Company.

Subsequently, the Scrutinizer received communication from another Promoter shareholder challenging 'the decision'/ result published by the Scrutinizer. In the event the said Promoter pursues and is successful in setting aside the Scrutinizer's report then the same could result in certain modifications to the above financial results such as decrease in authorised share capital by Rs. 1,400 lakhs and its resultant impact on reclassification of borrowings from Non-Current Liabilities and Deemed capital contribution under Equity to Borrowings under Current Liabilities by equivalent amount and increase in the profit for the period by approximately Rs. 25 lakhs. The Company is of the view, supported by legal opinions, that the Scrutinizer's decision is appropriate and accordingly the resolution for increase in authorised capital and consequent conversion of unsecured Promoter loan to preference shares is valid. Accordingly, no adjustments have been made by management in the above financial results.
- 5 The above financial results of the Company for quarter and six months ended September 30, 2023 were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on November 08, 2023 .
- 6 The Statutory Auditors of the Company have conducted a Limited Review of the Standalone Unaudited Financial Results for quarter and six months ended September 30, 2023.
- 7 Figures for the previous periods have been regrouped / reclassified wherever considered necessary.

Notes:

- 1 These Consolidated financial results have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs and prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and the other accounting principles generally accepted in India. This Statement is as per Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2 The Operations of the Company fall within a single primary segment viz. Industrial bearings.
- 3 The Company's share of profit for the quarter and six months ended September 30, 2023 in an associate NIBL-Korta Engineering Private Limited (Korta) is recognised in Unaudited Consolidated Financial results for the respective period. The Company's share of profit in an associate NRB-IBC Bearings Private Limited (NIBC) for the quarter and six months ended September 30, 2023 is restricted to the extent of its share of losses not recognised earlier. The unrecognized share of losses of NIBC as at September 30, 2023 is Rs. 128.27 lakhs.
- 4 As at September 30, 2023 the Company has a net current liability position of Rs. 2,739.33 lakhs and has a negative net worth of Rs. 2,579.27 lakhs. The management of the Company has formulated strategic plans for improving the profitability of the Company, which includes increase in sales and reduction in operating expenses. The Promoter director has also provided a commitment in the form of support letter to provide necessary financial support to the Company to meet its operational and financial obligations including loan from other Promoter as and when they fall due. Based on the business plans of the Company, cash flow projections and support letter from Promoter director, management is confident that the Company will be able to meet its financial obligations as they arise. Accordingly, these financial results have been prepared on the basis that the Company will continue as a going concern in the foreseeable future.
- 5 Pursuant to the members' resolution passed dated November 29, 2019 for conversion of unsecured loan of a Promoter shareholder amounting to Rs. 1,400 lakhs into 2% Redeemable Cumulative Non- convertible Preference Shares of Rs. 10 each ("Preference Shares"), the Company, during the year ended March 31, 2023, sought to increase its authorized share capital from Rs. 85 Crore (Equity share capital Rs. 5 Crore and Preference share capital Rs. 80 Crore) to Rs. 99 Crore (Equity share capital Rs. 5 Crore and Preference share capital Rs. 94 Crore) by obtaining an approval from members via a resolution approved through a postal ballot dated March 20, 2023.

During the voting period for such postal ballot, the Scrutinizer invalidated the vote of a Promoter shareholder, who had initially voted against the resolution and later (during the voting period) communicated the decision to vote in favour of the said resolution. Accordingly, the Scrutinizer, in accordance with Clause 16.5.3 (d) of SS-2 'Secretarial Standard on General Meetings' while counting the votes and declared that the resolution to increase the authorized share capital was passed by absolute majority ('the decision'). Basis such decision, unsecured loan of a Promoter shareholder has been converted into 2% Redeemable Cumulative Non-convertible Preference Shares by the Company.

Subsequently, the Scrutinizer received communication from another Promoter shareholder challenging 'the decision'/ result published by the Scrutinizer. In the event the said Promoter pursues and is successful in setting aside the Scrutinizer's report then the same could result in certain modifications to the above financial results such as decrease in authorised share capital by Rs. 1,400 lakhs and its resultant impact on reclassification of borrowings from Non-Current Liabilities and Deemed capital contribution under Equity to Borrowings under Current Liabilities by equivalent amount and increase in the profit for the period by approximately Rs. 25 lakhs. The Company is of the view, supported by legal opinions, that the Scrutinizer's decision is appropriate and accordingly the resolution for increase in authorised capital and consequent conversion of unsecured Promoter loan to preference shares is valid. Accordingly, no adjustments have been made by management in the above financial results.
- 6 The above Consolidated financial results of the Company and its associates for quarter and six months ended September 30, 2023 were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on November 08, 2023.
- 7 The Statutory Auditors of the Company have conducted a Limited Review of the Consolidated Unaudited Financial Results for quarter and six months ended September 30, 2023.
- 8 Figures for the previous periods have been regrouped / reclassified wherever considered necessary.
