INDEPENDENT AUDITORS' LIMITED REVIEW REPORT

To:

**The Board of Directors
Beeyu Overseas Limited
Ground Floor

Page | 1

We have reviewed the accompanying statement of unaudited standalone financial results of Beeyu Overseas Limited for the quarter ended June 30, 2019 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 (as amended) including relevant circulars issued by the SEBI from time to time. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review of the statement, which has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('IND AS 34'), specified under Section 133 of the Companies Act, 2013 read with relevant rules issues thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulation.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditors of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We report that:

a) The Company sold its tea manufacturing unit at Ooty, Tamilnadu and presently not carrying on any tea manufacturing activity. Moreover, Company had decided to change its business model from manufacturing to trading, which is yet to be finalized.

Page | 2

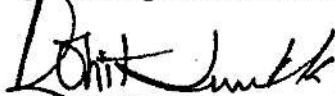

b) The company has incurred a net loss of Rs.5.94 lac for the quarter ended June 30, 2019. As at June 30, 2019, the Company's current liabilities exceeded its current assets. In view of what has been stated above, we are unable to comment whether the Company will be able to continue as a going concern.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
