The Statutory Auditors of the company have audited these results and expressed unqualified audited opinion.
- 4 Covid 19, has impacted the normal day to day business operations of the company. However, the Company has evaluated impact of this pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial results as at 31st March 2021. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions.
