1. We have reviewed the accompanying Statement of Unaudited Ind AS Financial Results of **Carnation Industries Limited** ("the Company") for the quarter ended June 30, 2022 ("the statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The preparation of the statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under section 133 of Companies Act, 2013 read with Rule 3 of Companies (Indian accounting Standards) Rules, 2015, as amended, read with the Circular is the responsibility of the Company's management and has been approved by the Board of Directors of the Company in its meeting held on August 12, 2022. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. (a) As stated in noteno.11 of the Statement, regarding preparation of Statement on Going Concern basis for the reasons stated therein. The Company has discontinued its manufacturing operations and as represented has plans to resume the trading activity but necessary and evident steps to start the same is not reflected in the action. As stated in note no. 11 the appropriateness of Going Concern is dependent upon various initiatives undertaken by the company including realisation of Trade receivables through ECGC, feasibility and sustainability of the trading activities, arrangement for financial resources in order to meet working/ long term capital requirement of the trading activity and payment/ settlement of existing unsecured creditors.

The Company has accumulated losses of Rs. 1361.45 Lacs leading to negative net worth of Rs. 140.46 Lacs as at 30th June, 2022, which has resulted in complete erosion of the net worth of the Company. The Company's current liabilities exceeds its current assets by Rs. 66.13 Lacs as at 30th June, 2022.

(b) We draw attention to note no. 4 of the Statement regarding charging/writing off of Trade Receivables (export sales) made in earlier years amounting to Rs. 1751.59 Lacs which was due from a related party for more than 5 years, the necessary permission in respect of write off debts in books from appropriate authorities are yet to be obtained.

- (c) We draw attention to note no. 5 of the statement regarding ECGC claim filed for overdue trade receivables.
- (d) We draw attention to note no. 6 of the statement regarding the balances of Trade Receivables, Security Deposits, Loans and Advances, Trade payable, are subject to confirmation from the respective parties and consequential reconciliation/adjustment arising there from, if any.
- (e) We draw attention to note no. 7 of the accompanying statement regarding filing of petition with NCLT, Kolkata Bench by a creditor under Insolvency and Bankruptcy code, 2016 for initiation of Corporate Insolvency Resolution Process.
- (f) We draw attention to note no. 9 of the accompanying statement regarding pending marking off compliance in respect of overseas bills.
5. Based on our review conducted as mentioned in paragraph 3 above and subject to the possible effects of the matters described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("Ind As") specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed or that it contains any material misstatement.

The Company put in a lot of efforts with the Banks to have the situation corrected and certified by the Bank. There is Rs.130.76 lacs showing pending with State Bank of India and efforts are on to have these also cleared up from the portal.

10. Discontinuing operation

The Company was facing severe financial crisis since last two years. However, due to pandemic the situation became aggravated and acute coupled with the fact that creditors were not being paid and the company was under huge pressure from the vendors and others for release of payment failing which threats of legal action could be perceived. In order to settle the vendors and to tide over the financial hardship and avoid protracted and large number of unwarranted litigation, the Board having explored all alternative avenues for financing but without any success was forced to decide to liquidate the assets in order to arrange payments to the vendors, professionals and others including statutory liabilities.

At the Extraordinary General Meeting held on 25th April, 2019 a resolution was passed by the shareholders of the Company wherein authorization was given to the Board of Directors to dispose the whole or substantially the whole of the assets including and not limited to Uluberia unit of the Company for such consideration and on such terms and conditions as the Board of Directors of the Company consider beneficial to the Company. 11. The "Turnaround Plan" as approved up by the Board of Directors was partially successful in so far as they related to disposal of property, plant and equipment –and consequential realization of sale proceeds. The company was able to negotiate and settle with secured lenders under one time settlement scheme. However, dues of revenue authorities, creditors and other payables could not be fully paid or settled and the company continues to face regular hardship in managing them. However, the Board of Director's are working on various options as a survival strategy:

- Efforts to negotiate with creditors and other parties with payables in order to arrive at mutually agreed settlement and payment to them in accordance with the terms finalised in order to avoid litigation and also to identify manufacturers of the products from whom goods would be sourced. The management of the Company has successfully negotiated and settled the dues of majority of unsecured creditors at a discounted value with mutual consent.
- Continue to Increase efforts to ensure early realisation of amount i.e. refundable taxes or duties lying with different Revenue Authorities.
- Put in efforts to process the ECGC claim on two overseas buyers.
- To reduce the overall staff strength and keep only the essential team for the time being and review managerial remunerations.
- Once the old liabilities are settled and when the financial ratio improves, the Company would seek financial resources to meet the Working Capital arrangement for trading operations from financiers and promoter Directors.

The above plan has been approved by the Board of Directors. Accordingly, the financial results continue to be prepared on a going concern basis, which contemplates realization of assets and settlement of liabilities except to the extent as specified herein above.
