FINOLEX CABLES LIMITED

PRESS RELEASE

FINOLEX CABLES LTD RESULTS

Pune, August 14th, 2018

Finolex Cables Ltd., (FCL) at the meeting of its Board of Directors held today approved results for the first quarter of the financial year 2018-19.

Net Sales for the quarter ended June 30th 2018 were Rs 791.2crores as against Rs 743.5 crores for the corresponding period in year 2017-18 representing a 6.5 % improvement in value terms. Excluding excise duty (which was a component of revenue in Q1, 2017-18), the value growth is 17%.

While a part of the growth is commodity price related, the quarter saw a healthy volume growth in both the major segments. While overall Electrical Cables grew by 10%, specific product lines such as Electrical Wires and Power Cables grew by more than 20%. Similarly, there was a healthy volume growth in the Communication Cable segment as well, led primarily by a 20%+ growth in Optical Fiber Cables. Ongoing government programs to improve connectivity with broadband and related technologies, will continue to sustain this momentum.

New businesses contributed Rs 18.1 crores as against Rs 15.1 crores in the previous year. Volume and profitability showed improvement; however higher growth and better profitability is expected in the coming quarters. All product lines witnessed new launches, which should bring about the expected changes.

Profit for the quarter, before taxes, was Rs.139.8 crores, as compared to Rs.129.5 crores in the previous year (improvement of 8%). Margin's on the Electrical Cables segment were impacted to some extent due to disruption of copper supplies in the quarter – material requirements were met in the short term by imports which were costlier.

The tax exemption period for the Roorkee facility, expired at the end of the previous fiscal. Consequently, tax provision for the current quarter (and eventually the current fiscal) is higher at Rs 49.5 crores, resulting in a PAT of Rs.90.3 crores as against Rs 101.9 crores in the corresponding period of the previous year.
