- 4) Exceptional items are foreign exchange gain / (loss) arisen on foreign exchange fluctuation calculated on translation of monetary items.
- 5) Corresponding quarter / year figures have been regrouped / reclassified wherever necessary to conform to the classification on the current period/ year classification.
- 6) The company has filed an application with the bankers for restructuring of its term loans (classified as NPA by the bankers) for further moratorium and rescheduling of repayments. The application is under active consideration by the bankers.
- 7) Effective April 01, 2019, the Company has adopted Ind AS 116 "Leases", applied to all the lease contracts existing on April 01, 2019 using the modified retrospective method. The adoption of the standard did not have any material impact on the financial results of the company for the quarter ended June 30, 2019.
- 8) The company has intangibles to the value of Rs.316 Mn. To support the carrying value of these intangible assets as at June 30, 2019, the projected revenue streams as of March 31, 2019 from exploitation, discounted to their present values using a discount factor of 18.2%, have been utilized. There are no significant changes in the projection made as at 31.03.2019. There is uncertainty and judgement involved in the estimated projected revenue streams of these assets. If sufficient revenue streams are not generated then a provision for impairment is required to reduce the carrying value of these assets to their recoverable amount. The company is of the opinion that the carrying value of the intangible assets Rs. 316 Mn as at June 30, 2019, on franchise basis, are worth at least the net amount stated based on a combination of supporting discounted projected revenue streams and the company's knowledge and expectation of future sales contracts.

In order to support the carrying values of these intangible assets at June 30, 2019, the projected revenue streams as of March 31, 2019 from exploitation, discounted to their present values using a discount factor of 18.2%, have been utilised. There are no significant changes in the projection made as at 31.03.2019.
- 10) The company has favourable cash inflows from its operations and a positive network. However, the cash flows are not sufficient to repay its bank borrowings and the related finance costs. The lenders, had, in last year agreed to consider restructuring of the terms of the borrowings. The company is in discussions with the lenders for taking up the restructuring of its loans for sanction of further moratorium. Further the company is also making all efforts to raise funds to settle the dues of the Banks and is in discussion with few agencies. The company is also taking efforts to encash the existing IPs by licensing and distribution.

Based on the above, the management believes that the company will continue as a going concern and there by, realise its assets and discharge its liabilities in the normal course of its business. Accordingly, these financial statements have been prepared on the going concern assumption. Consequently no adjustments have been made to the carrying value of assets and liabilities or classification of balance sheet accounts.

Independent Auditor's Review Report on unaudited quarterly and year to date financial results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

The Board of Directors

DQ Entertainment (International) Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of DQ Entertainment (International) Limited ('the Company') for the quarter ended **June 30, 2019** and the year to-date results for the period **April 1, 2019 to June 30, 2019** ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the Regulation').
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether financial results are free of material misstatements. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulation including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to the following matters in the Notes to the accompanying Statement
 - i. Note 8 which states that the carrying value of intangible assets have been derived on the basis of projections of revenue streams which involves significant degree of subjectivity and judgement in such estimated projections.

- ii. Note 9 which states that the carrying value of investment and the recoverability of receivables in/from the wholly owned subsidiary have been derived on the basis projections of revenue streams which involves significant degree of subjectivity and judgement in such estimated projections.

Our opinion is not qualified in respect of these matters.

Material Uncertainty Related to Going Concern

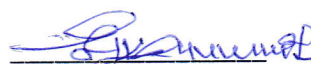

6. We draw attention to Note 10 to the financial statements, which indicates that the Company has incurred loss during the period ended June 30, 2019. However, the Company has favourable cash inflows from its operations and a positive networth. These cash flows are not sufficient to repay its bank borrowings and the related finance costs. These conditions indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. As stated in aforesaid note, in view of the Company's plan to restructure the loan subject to Bank's approval and the Company's efforts to raise additional funds, the standalone Ind AS financial statements of the Company have been prepared on a going concern basis.

Our opinion is not modified in respect of this matter.

The Board of Directors

DQ Entertainment (International) Limited

1. We have reviewed the accompanying statement of consolidated unaudited financial results of **DQ Entertainment (International) Limited** ('the Holding Company'), its subsidiary, (the Holding Company and its subsidiary together referred to as the 'Group') and its share of the net loss after tax and total comprehensive loss of its joint venture for the quarter ended **June 30, 2019** and the year to-date results for the period from **April 1, 2019 to June 30, 2019** ('the Statement'), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the Regulation').
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Sr. No	Name of the Company	Relationship with the Holding Company
1	DQ Entertainment (Ireland) Limited	Subsidiary Company
2	DQ Entertainment (International) Films Limited	Joint Venture

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the subsidiary auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulation including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review the interim financial results of one subsidiary included in the consolidated unaudited financial results, whose interim financial results reflect total assets of Rs. 5,758,096,998 as at 30th June 2019 and total revenues of Rs. 97,843,835, total net loss after tax of Rs.73,527,358, for the quarter ended 30th June 2019, as considered in the consolidated unaudited financial results. These interim financial results have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiary, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of the above matters.

7. The consolidated unaudited financial results also includes the Group's share of net profit after tax of Rs. 12,532 for the quarter ended 30th June, 2019, as considered in the consolidated unaudited financial results, in respect of one joint venture, based on their interim financial results which have not been reviewed by their auditors. According to the information and explanations given to us by the Management, these interim financial results are not material to the Group.

Our conclusion on the Statement is not modified in respect of the above matter.

8. We draw attention to the following matters in the Notes to the accompanying Statement

- i. Note 8 which states that the carrying value of intangible assets have been derived on the basis of projections of revenue streams which involves significant degree of subjectivity and judgement in such estimated projections.

Our opinion is not qualified in respect of these matters.

Material Uncertainty Related to Going Concern

9. We draw attention to Note 9 to the financial statements, which indicates that the Company has incurred loss during the period ended June 30, 2019. However, the Company has favourable cash inflows from its operations and a positive networth. These cash flows are not sufficient to repay its bank borrowings and the related finance costs. These conditions indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. As stated in aforesaid note, in view of the Company's plan to restructure the loan subject to Bank's approval and the Company's efforts to raise additional funds, the consolidated Ind AS financial statements of the Company have been prepared on a going concern basis.

Our opinion is not modified in respect of this matter.
