- 1) The unaudited consolidated financial results for the quarter and period ended September 30, 2018 were reviewed and recommended by the Audit Committee and approved by the Board of Directors at its meeting held on November 9, 2018.
- 2) The consolidated financial results of the Company have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (IND AS) 34 Interim Financial Reporting prescribed under section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder, other accounting principles generally accepted in India and guidelines issued by Securities and Exchange Board of India ("SEBI").
- 3) Adoption of Ind AS 115 - Revenue from contracts with customers  
Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catch-up transition method which is applied to contracts that were not completed as of April 1, 2018. Accordingly, the comparatives have not been retrospectively adjusted. The effect on adoption of Ind AS 115 was insignificant on the financial statements.
- 4) The terms and conditions of the bond instruments issued by DQ Ireland have been modified to reflect change in interest rate to 0%. This has resulted in substantial modification to the cash flows as defined in Ind AS 109 (Financial Instruments). Consequently, a onetime gain on modification of Rs 340 mn has been recognised in the Profit & Loss Account under the head "Other Income".
- 5) Investor can also view the financial results (standalone and consolidated) on the company's website "www.dqentertainment.com" as well as the website of BSE (www.bseindia.com) and NSE (www.nseindia.com).
- 6) \*Exceptional items are foreign exchange gain / (loss) arisen on foreign exchange fluctuation calculated on translation of monetary items.
- 7) Corresponding quarter figures have been regrouped / reclassified wherever necessary to conform to the classification on the current period classification.
- 8) The company has filed an application with the bankers for restructuring of its term loans and working capital which has been classified as NPA by the bankers. The application is under active consideration by the bankers.
- 9) The company has intangibles to the value of Rs. 2,661 Mn. To support the carrying value of these intangible assets as at September 30, 2018, the projected revenue streams as of 31.03.2018 from exploitation, discounted to their present values using a discount factor of 17%, have been utilised. There are no significant changes in the projections made as at 31.03.2018. There is uncertainty and judgement involved in the estimated projected revenue streams of these assets. If sufficient revenue streams are not generated then a provision for impairment is required to reduce the carrying value of these assets to their recoverable amount. The company is of the opinion that the carrying value of the intangible assets Rs. 2,661 Mn as at September 30, 2018, on franchise basis, are worth at least the net amount stated based on a combination of supporting discounted projected revenue streams and the company's knowledge and expectation of future sales contracts.
