## Independent Auditors' Report on Review of Interim Standalone Financial Results

To  
The Board of Directors  
E.I.D. - Parry (India) Limited  
Dare House, New No. 2, Old 234,  
NSC Bose Road, Chennai - 600001

1. We have reviewed the unaudited standalone financial results of E.I.D. - Parry (India) Limited (the "Company") for the quarter ended September 30, 2019 and the year to date results for the period April 1, 2019 to September 30, 2019 which are included in the accompanying 'Standalone Unaudited Financial Results for the Quarter and Six months ended September 30, 2019', the unaudited standalone Balance sheet as on that date and the standalone unaudited statement of cash flows for the half-year ended on that date (the "Statement"). The Statement is being submitted by the Company pursuant to Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, which has been initialled by us for identification purposes. Attention is drawn to the fact that the standalone statement of cash flows for the corresponding period from April 1, 2018 to September 30, 2018, as reported in the Statement have been approved by the Board of Directors, but have not been subjected to review.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. **Mr. S Suresh, Managing Director commenting on the results mentioned that**

“The performance of the Company got affected in Q2 2019-20 due to muted sugar prices on account of higher sugar inventory and release order mechanism. The sugar prices improved compared to the previous quarter due to floods in Karnataka & Maharashtra which affected the movement of sugar stocks from these states to other states, thereby benefitting the company.

During the quarter, sugarcane crushing volumes in Tamilnadu units were better compared to previous year numbers. Also, the Company has taken approval of the Board of Directors to establish a 60 KLPD Greenfield Distillery plant at Bagalkot unit in Karnataka.

The Government of India has been taking various supportive measures in order to provide stability to the sugar prices, in the form of Buffer Stock mechanism, Minimum Support price for Sugar, Export quota and related subsidy and upward revision of Ethanol price including ethanol supply from B Heavy molasses and cane juice. Further, Tamilnadu Government has taken positive steps to increase the domestic sales of alcohol within the state by regulating import from other States. These would augur well for the Company in the coming quarters.”
