INDEPENDENT AUDITOR'S REPORT

То

The Board of Directors of

P & ASSOCIATES

HARTERED ACCOUNTANTS

Eurotex Industries and Exports Limited

Report on the audit of the Financial Results

Opinion

We have audited the accompanying financial results of **Eurotex Industries and Exports Limited** ('the Company') for the quarter and year ended March 31, 2022, attached herewith along with notes thereto, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, these financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India, of the net loss and other comprehensive income and other financial information for the quarter and year ended March 31, 2022.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Material Uncertainty Related to Going Concern

Without qualifying, we draw your attention to note no. 4 of the financial results with respect to the fact that these financial results have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business though the Company has incurred cash loss during the current year, losses during earlier periods/years, having eroded its entire net worth, that the operations of the manufacturing plants at Kolhapur have continued grinding halt since 25th March, 2019 and announcement of their closure on 30th March, 2022. The management has settled dues of lender banks (by borrowing from promoter group companies), is studying ways to restart.

SVP & Associate

Branch: Ghaziabad

manufacturing activity, exploring for source of additional funds to restructure the operations on proper evaluation, and in view of such positivities, the financial statements have been prepared on a going concern basis.

Emphasis of Matters

We draw your attention to note no. 5 of the financial results with regard to management's assessment about the impact on Company's operations due to COVID 19 pandemic outbreak and lockdown. The management apart from considering the internal and external information up to the date of approval of these financial results, the Company has also performed sensitivity analysis on the assumptions used including in respect of realisability of assets based on current indicators of future economic conditions, the Company expects to recover the carrying amount of all these assets.

The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results. Considering the continuing uncertainties, as explained, the Management will continue to closely monitor any material changes to future economic conditions.

Management's Responsibilities for the Financial Results

Quarterly financial results have been prepared on the basis of the annual financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of ant identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SVP&ASSOCIATES

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter:

The Financial Results include the results for the quarter ended March 31, 2022 being the balancing figure between audited figures in respect of full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Our opinion is not modified in respect of this matter.

- Notes:

 The above audited financial results have been reviewed by the Audit Committee and were thereafter approved and taken on record by the Board of Directors in their meeting held on 21st May, 2022. The Statutory Auditors have expressed an unmodified opinion on the above results.
 - 2 The figures for the quarter ended March 31, 2022 and March 31, 2021 are the balancing figures between the audited figures in respect of the full financial year and the published year to date figures up to the third quarter for the relevant financial year which were subjected to limited review by the statutory auditors.
 - 3 The Company has only single reportable business segment i.e. 'Yarn segment' in terms of requirements of Ind AS 108 and has its operations / assets located in india.
 - 4 The Board of Directors in their meeting held on 26th March, 2022, has decided for closure of its manufacturing plants situated at Kolhapur under Industrial Disputes Act, 1947, due to continuous grinding halt of operations of plants at Kolhapur since 25th March, 2019 arising out of persistent, unfair and illegal activities of labour including severe inter-union rivalry and disconnection of power. The Notice of Closure of the manufacturing plants at Kolhapur has been displayed on 30th March, 2022 at the main gate of the Plants and a copy of said Notice has been sent to concerned workers and authorities. The Company has sent termination letters to all the remaining 38 workers individually by Registered Post. The matter in respect of labour dues for lay off of workers which was subjudice, has been disposed off by the Hon'ble Supreme Court mentioning that the remedy has to be sought in the Hon'ble High court. Accordingly, the Company has filed a writ petition before Hon'ble High Court, Mumbai. In view of expert legal advice taken in the matter, the Company expects a favourable decision. The management has settled all the dues of lender banks, studying ways to revive the operations of the Company, exploring for sources of additional funds and in view of such positivities, the financial statements have been prepared on a going concern basis.
 - 5 The Company has considered the possible impact of COVID-19 in preparation of the above results. The impact of the global health pandemic may be different from that estimated as at the date of approval of results. Considering the continuing uncertainties, the Company will continue to closely monitor any material changes to future economic conditions.
 - ⁶ "Other Income" includes for the current quarter and year Rs. 86.52 lakhs and Rs. 111.27 lakhs, respectively; previous years' corresponding quarter and year includes Rs.706.87 lakhs and Rs.961.13 lakhs, respectively being profit on sale of certain plant & machineries, land and buildings at Kolhapur.
 - 7 Previous periods' figures have been regrouped / rearranged, wherever considered necessary, to make them comparable to current period's presentation.
