LIMITED REVIEW REPORT

Review Report to Board of Directors

- We have reviewed the accompanying statement of unaudited financial results of Eurotex Industries and Exports Limited ("the Company") for the quarter and half year ended 30th September, 2019. The statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on this financial Statement based on our review.
- 2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Based on our review, conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

4. Without qualifying, we draw your attention to the fact that the financial results have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business although the Company has incurred cash loss during the current period, losses during the last couple of previous periods/years and that most of the operations of the Company are suspended due to lack of working capital. As explained by the management, steps are being taken to commence manufacturing operations and accordingly, these financial results have been prepared on a Going Concern basis.

Our report is not modified in respect of this matter.

- Notes: 1 The above unaudited financial results have been reviewed by the Audit Committee and were thereafter approved and taken on record by the Board of Directors in their meeting held on 9th November, 2019. The Statutory Auditors have carried out Limited Review of the above results for the quarter ended 30th September, 2019 as per Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
 - 2 The Company has only single reportable business segment i.e. 'Yarn segment' in terms of requirements of Ind AS 108 and has its operations / assets located in India.
 - 3 The Company has adopted Ind AS 116 "Lease" effective from 1st April, 2019 notified by the Ministry of Corporate Affair. The impact of adoption of Ind AS 116 on the loss for the quarter is insignificant.
 - 4 Results for the current quarter and six months have been adversely affected due to unfair and illegal activities and strikes resorted in earlier quarters / periods of earlier years by workers at the main spinning plant. The spinning mill restarted with available raw material from 9th February, 2019 but has come to a grinding halt in the last week of March, 2019 because of above reasons. As there was paucity of working capital, raw materials and disconnection of electricity by MSEDCL, the management had submitted an application for granting permission to give lay off to all the workers under the provisions of the Industrial Act, 1947 to reduce the financial burden of wages & salary. However, the Additional Labour Commissioner, Pune has rejected application of lay off vide order dated 31st July, 2019. The Company has challenged the order and filed a writ petition before Hon'ble High Court, Mumbai and the matter is now subjudice. In the meantime, the management is exploring sources of funds needed to resume operations and accordingly, the financial statements have been prepared on a going concern basis.
 - 5 "Employee benefits expense" for the current quarter includes Rs. 222.35 lakhs being ex-gratia paid to the certain workers who have voluntarily retired.
 - 6 The Company elected to exercise the option permitted under section 115BAA of the Income tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. The Company, accordingly has recognized Deferred Tax, basis the rate prescribed in the said section.
 - 7 Figures of current quarter are not comparable with corresponding quarter due to the reasons as stated in Note No.4 & 5 above.
 - 8 Previous periods' figures have been regrouped / rearranged, wherever necessary to make them comparable to current quarter's presentation.
